Dedication

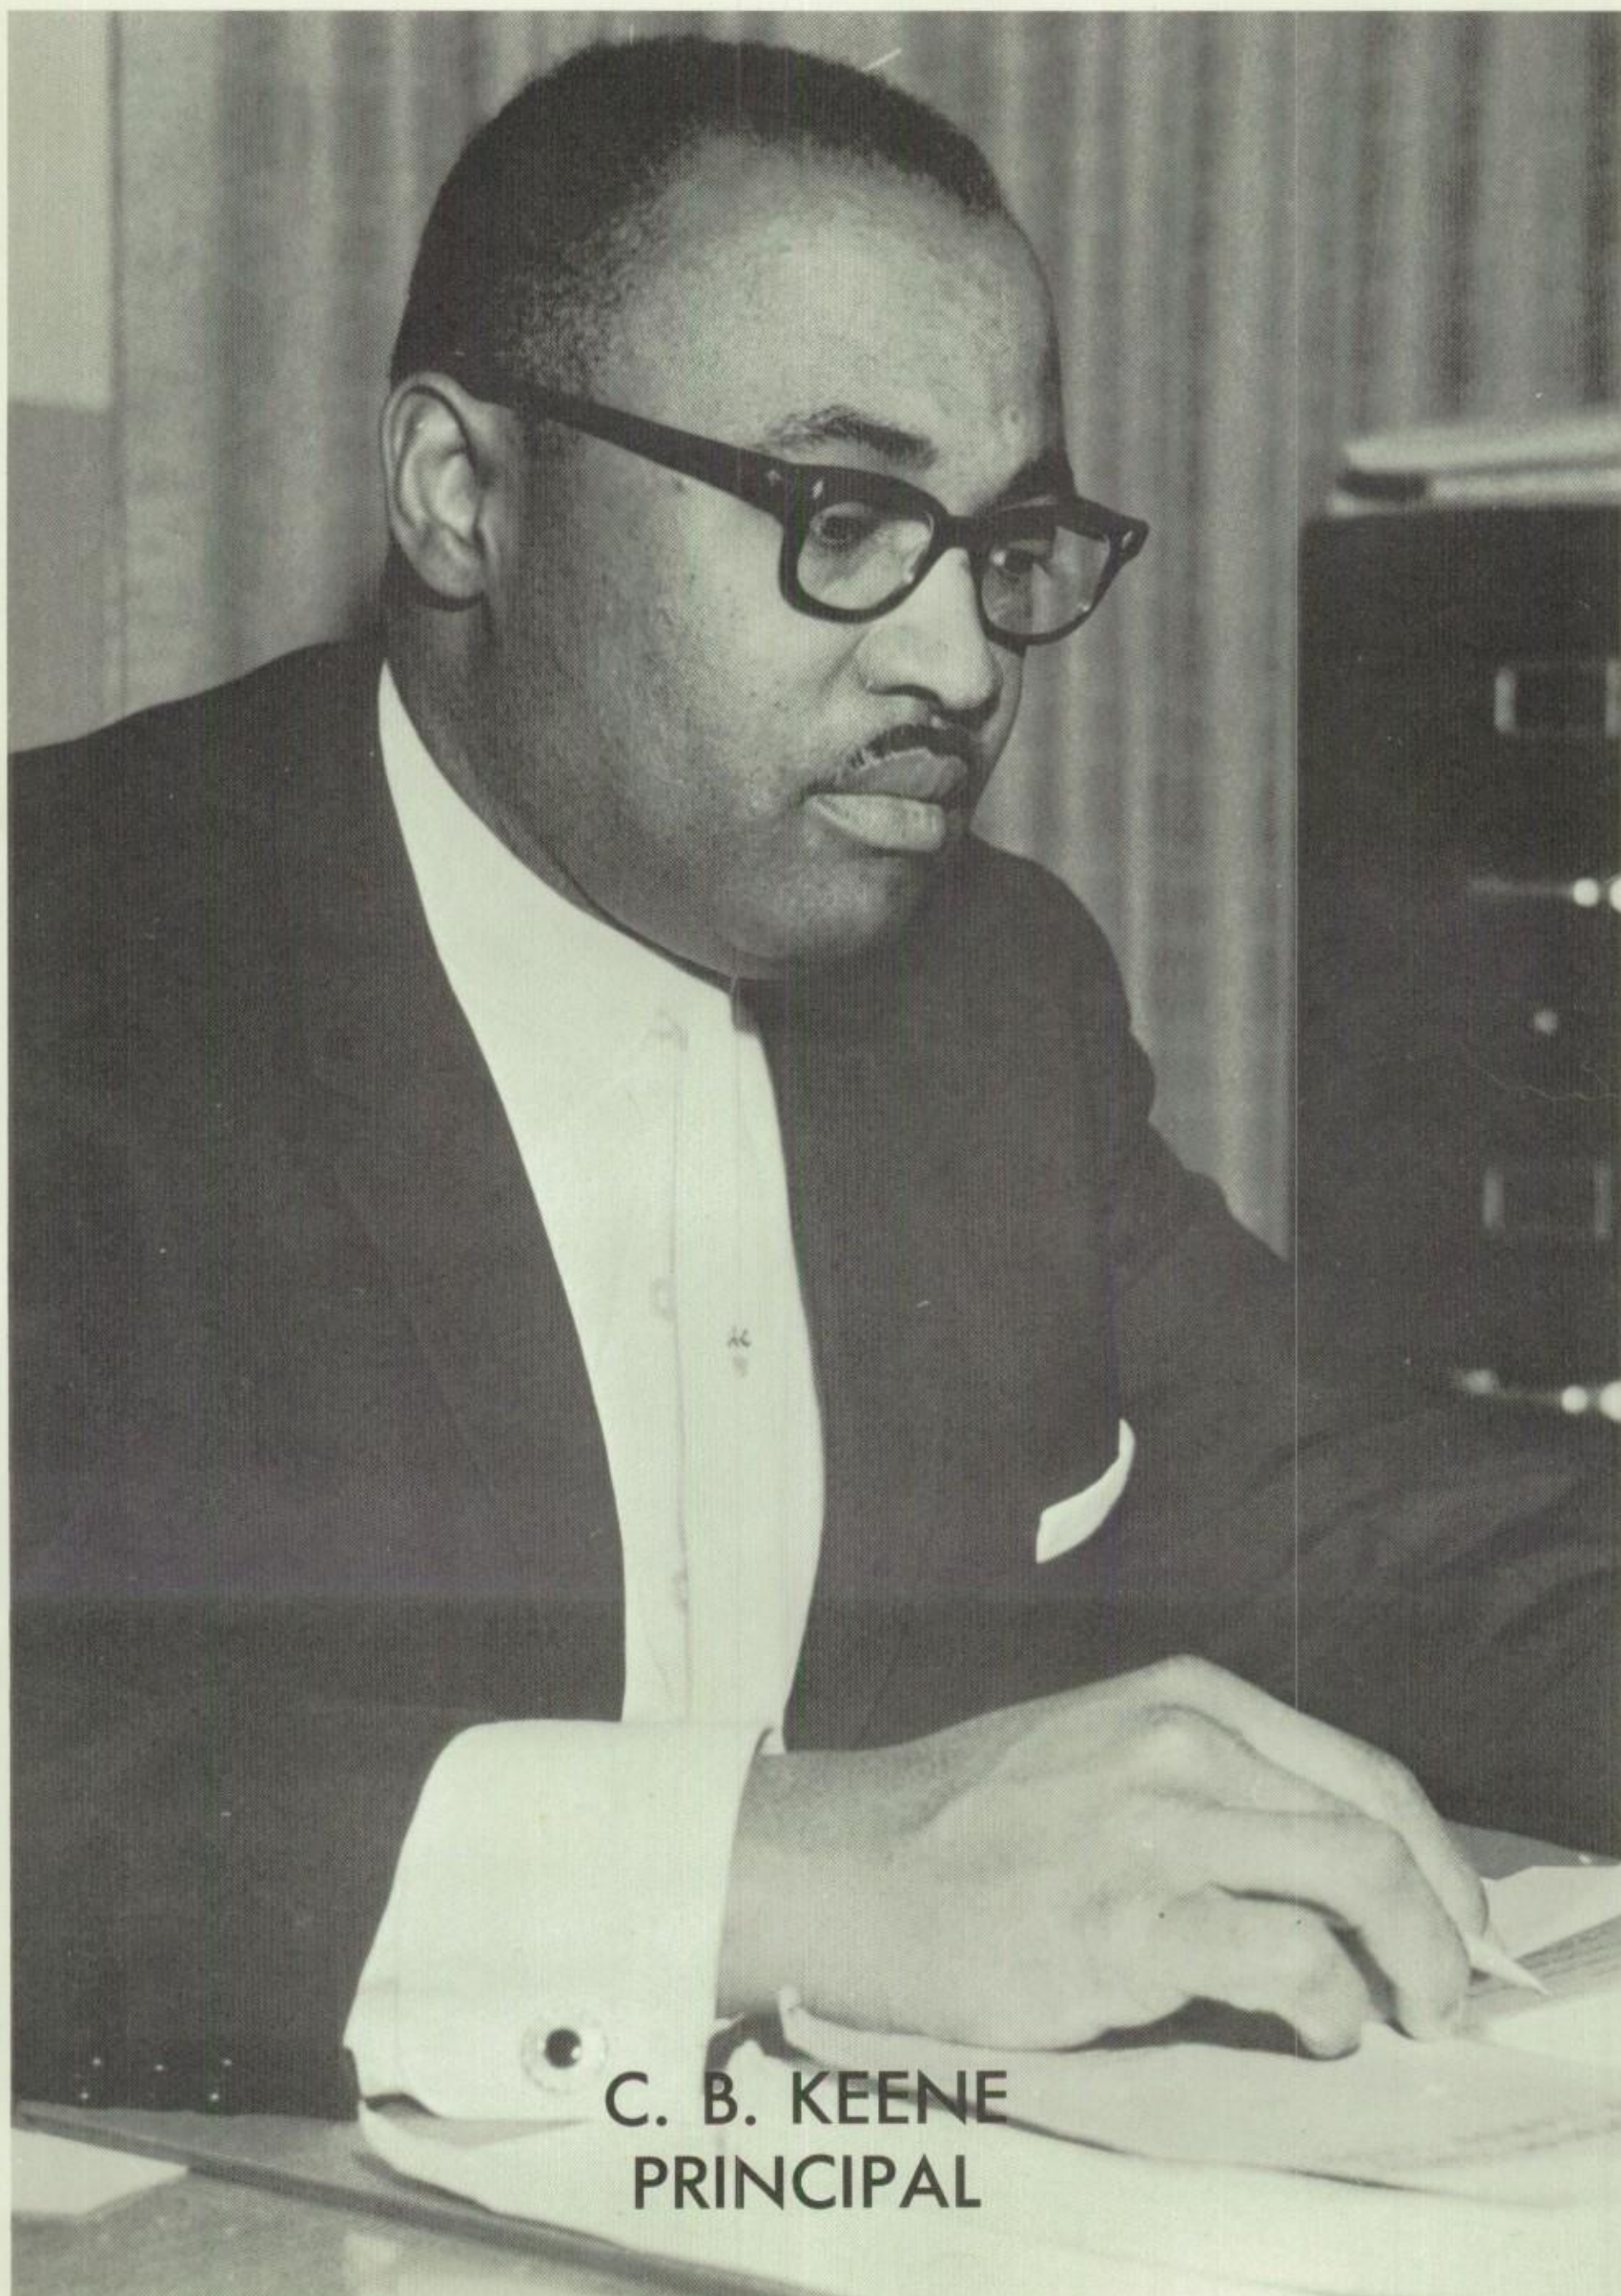

We, the annual staff for 1965, solemnly dedicate this, The '65 Panther, to you, Mrs. Jackson, for your 22 years of dedicated service, for your love and devotion to the boys and girls of P.H.S. and your loyalty and cooperation with the school.

In Memoriam

The late Billie Taylor

The Pinellas High School family was deeply saddened by the demise of Billie Jean Taylor. We, the members of the Senior class, are most bereaved because Billie was our classmate. We admired her courageous efforts. We miss her quiet, lovable personality and her loyal services. It is our hope that she will live forever in the hearts and memories of Pinellas High students.

C. B. KEENE
PRINCIPAL

Pinellas High School

1220 PALMETTO STREET
CLEARWATER, FLORIDA 33515

Dear Panthers:

The year 1965 marks the end of my first year of service to a growing and perpetual society, and during this period, there have been many notable accomplishments of which we are justly proud. All of us, as a member of the Pinellas High School Family, have helped to forge another link in the historical chain of Pinellas High School, and many of the most important events which transpired during the year are recorded herein.

Great delight is taken in extending to you congratulations for having taken the stupendous task of demonstrating loyalty, keen intelligence and willingness to work. This method is also taken to express my sincere gratitude to the Editors and their staff for their untiring efforts and interests in making the 1965 Panther a reality. Secondly, to the graduating seniors I say, today and tomorrow are bright for you. There is an abundance of opportunity to challenge you--but, yesterday is not completely past either. You leave now to join forces to make the world move. You must draw on all experiences of your past, for each will help you. The many good ones will light the way for positive action. The few bad ones will show the folly of low standards. The ordinary will remind you that mediocrity is never a high enough goal. I think that a feeling of hope, a sense of right, and a continuing urge to provide opportunity for those who come along tomorrow as you have come today will be in a way which helps keep alive in you a feeling of importance to the younger world.

THE HEART OF THE SCHOOL

J. L. CARWISE

Mr. J. L. Carwise, our assistant principal, completes 14 years at Pinellas High School this year. In his job he does much of the scheduling of programs and students, and serves as Mr. Keene's right hand man. He is a capable consultant to all students. Besides being with his family, he enjoys bridge and talking about his home, Oviedo.

ACTIVITIES

"Let me go out and play some football."

Early morning peace

Whew! Just made it.

Ah!! What lovely young ladies. Oops! There's a boy in there too.

Better watch out cause here I come.

O.K. now, George.

Hey now! You'd better watch that.

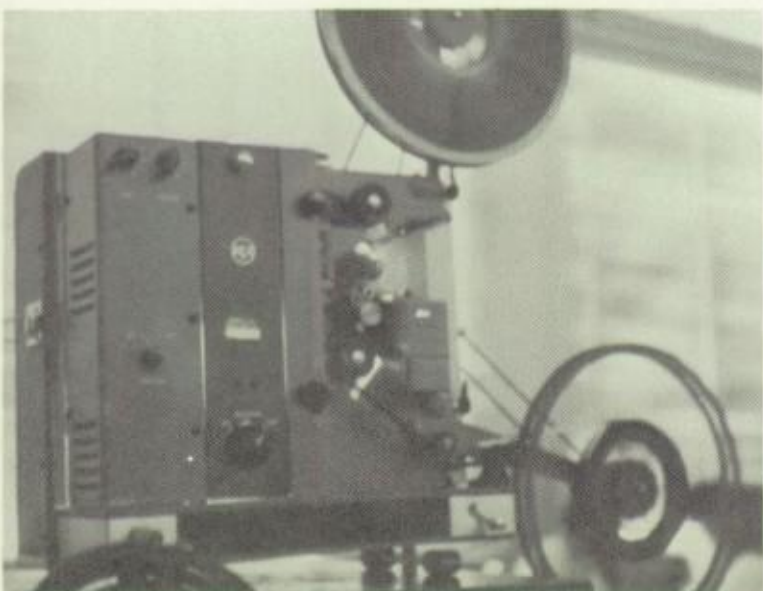

Where are your instruments, boys?

Let's see . . . I'd better concentrate on this copy.

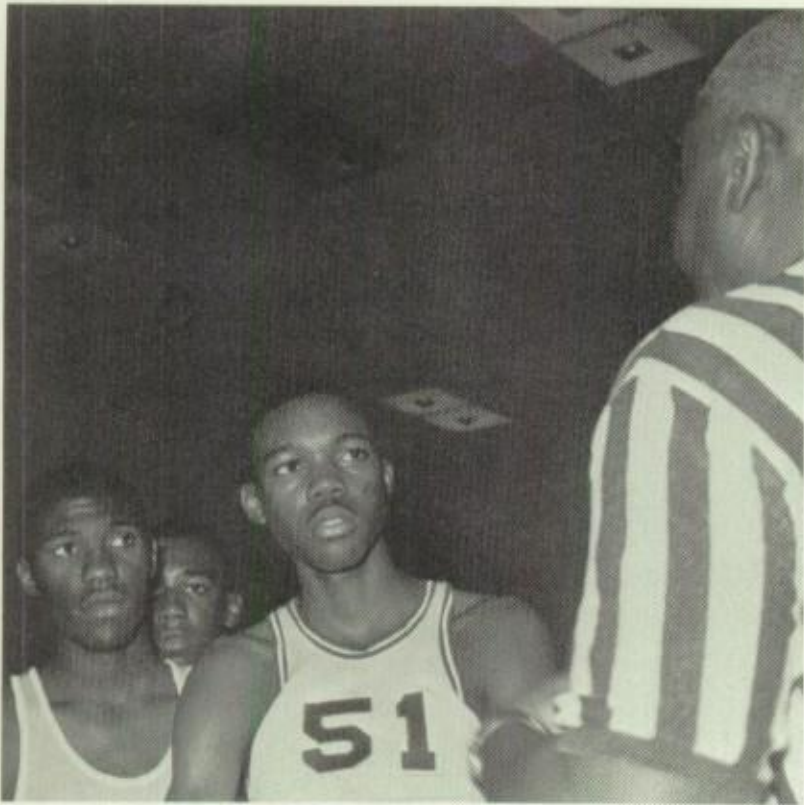

We'll get it right sometime today.

Rest time

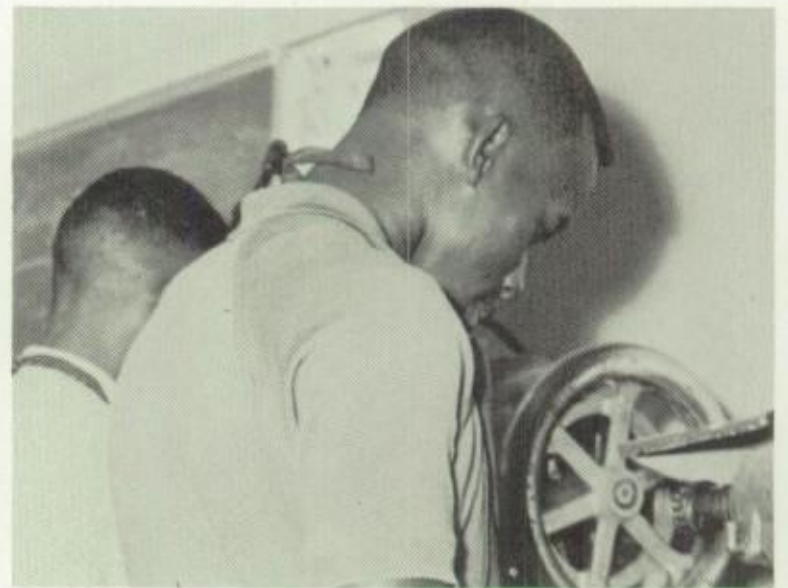

Why don't you leave us girls alone?

Let's not have anymore of that, boys.

They shouldn't wear them
so thin.

Hey Man! Look what I've got.

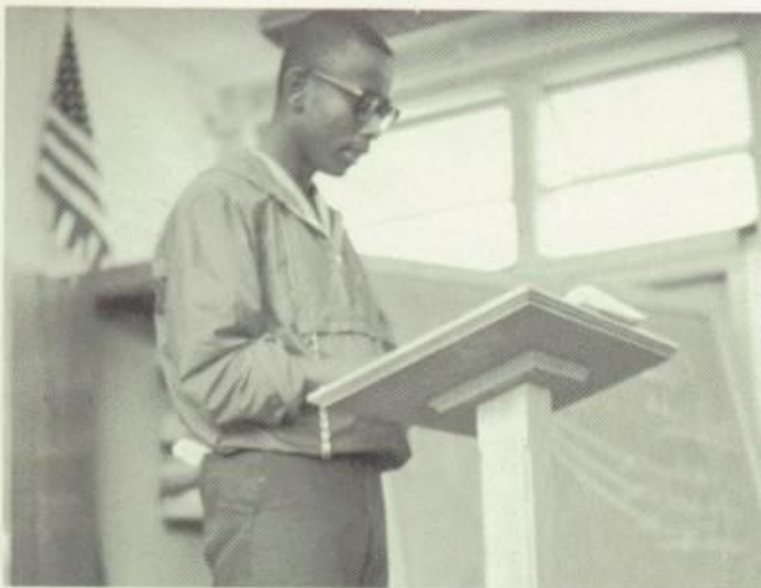

Ah . . . Come on now.

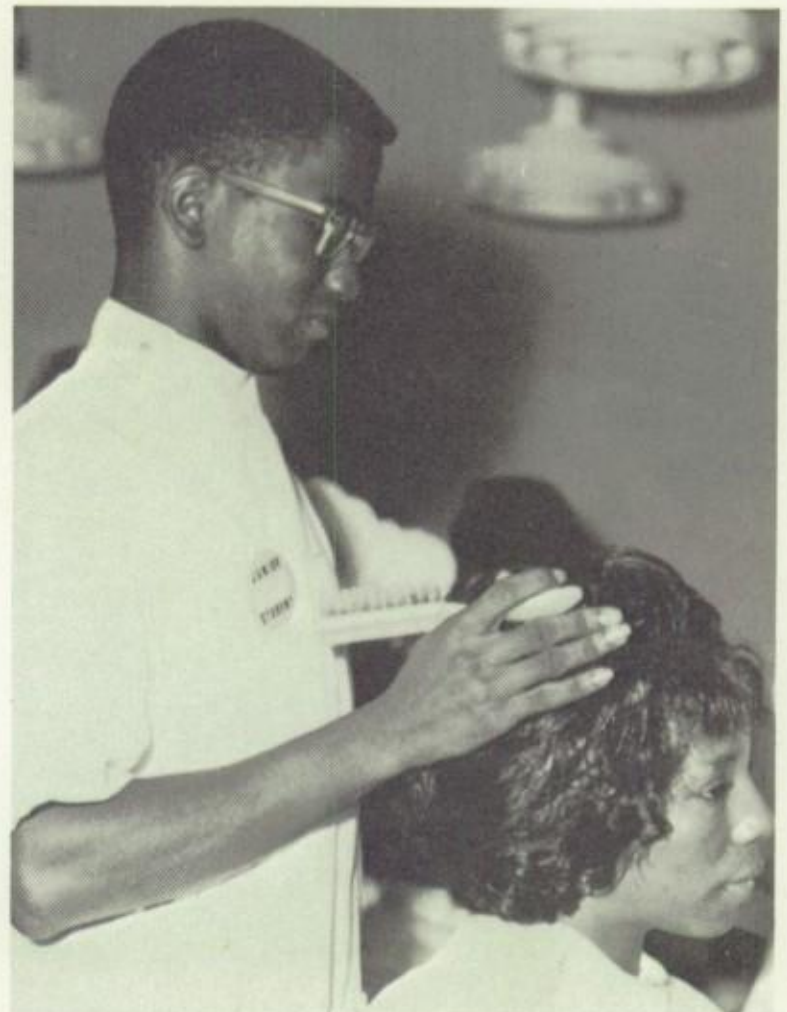

This is how it's done.

All right boys, make sure it's right.

This is a very scholarly report.

You're going to be beautiful.

Hey man, like this is what's happening.

But Mr. Hayward, it's not done that way nowadays.

The bonfire draws a crowd of spectators.

Just we two and the football.

They've all had a hard way to go.

It won't be long now !

Taking a break between classes.

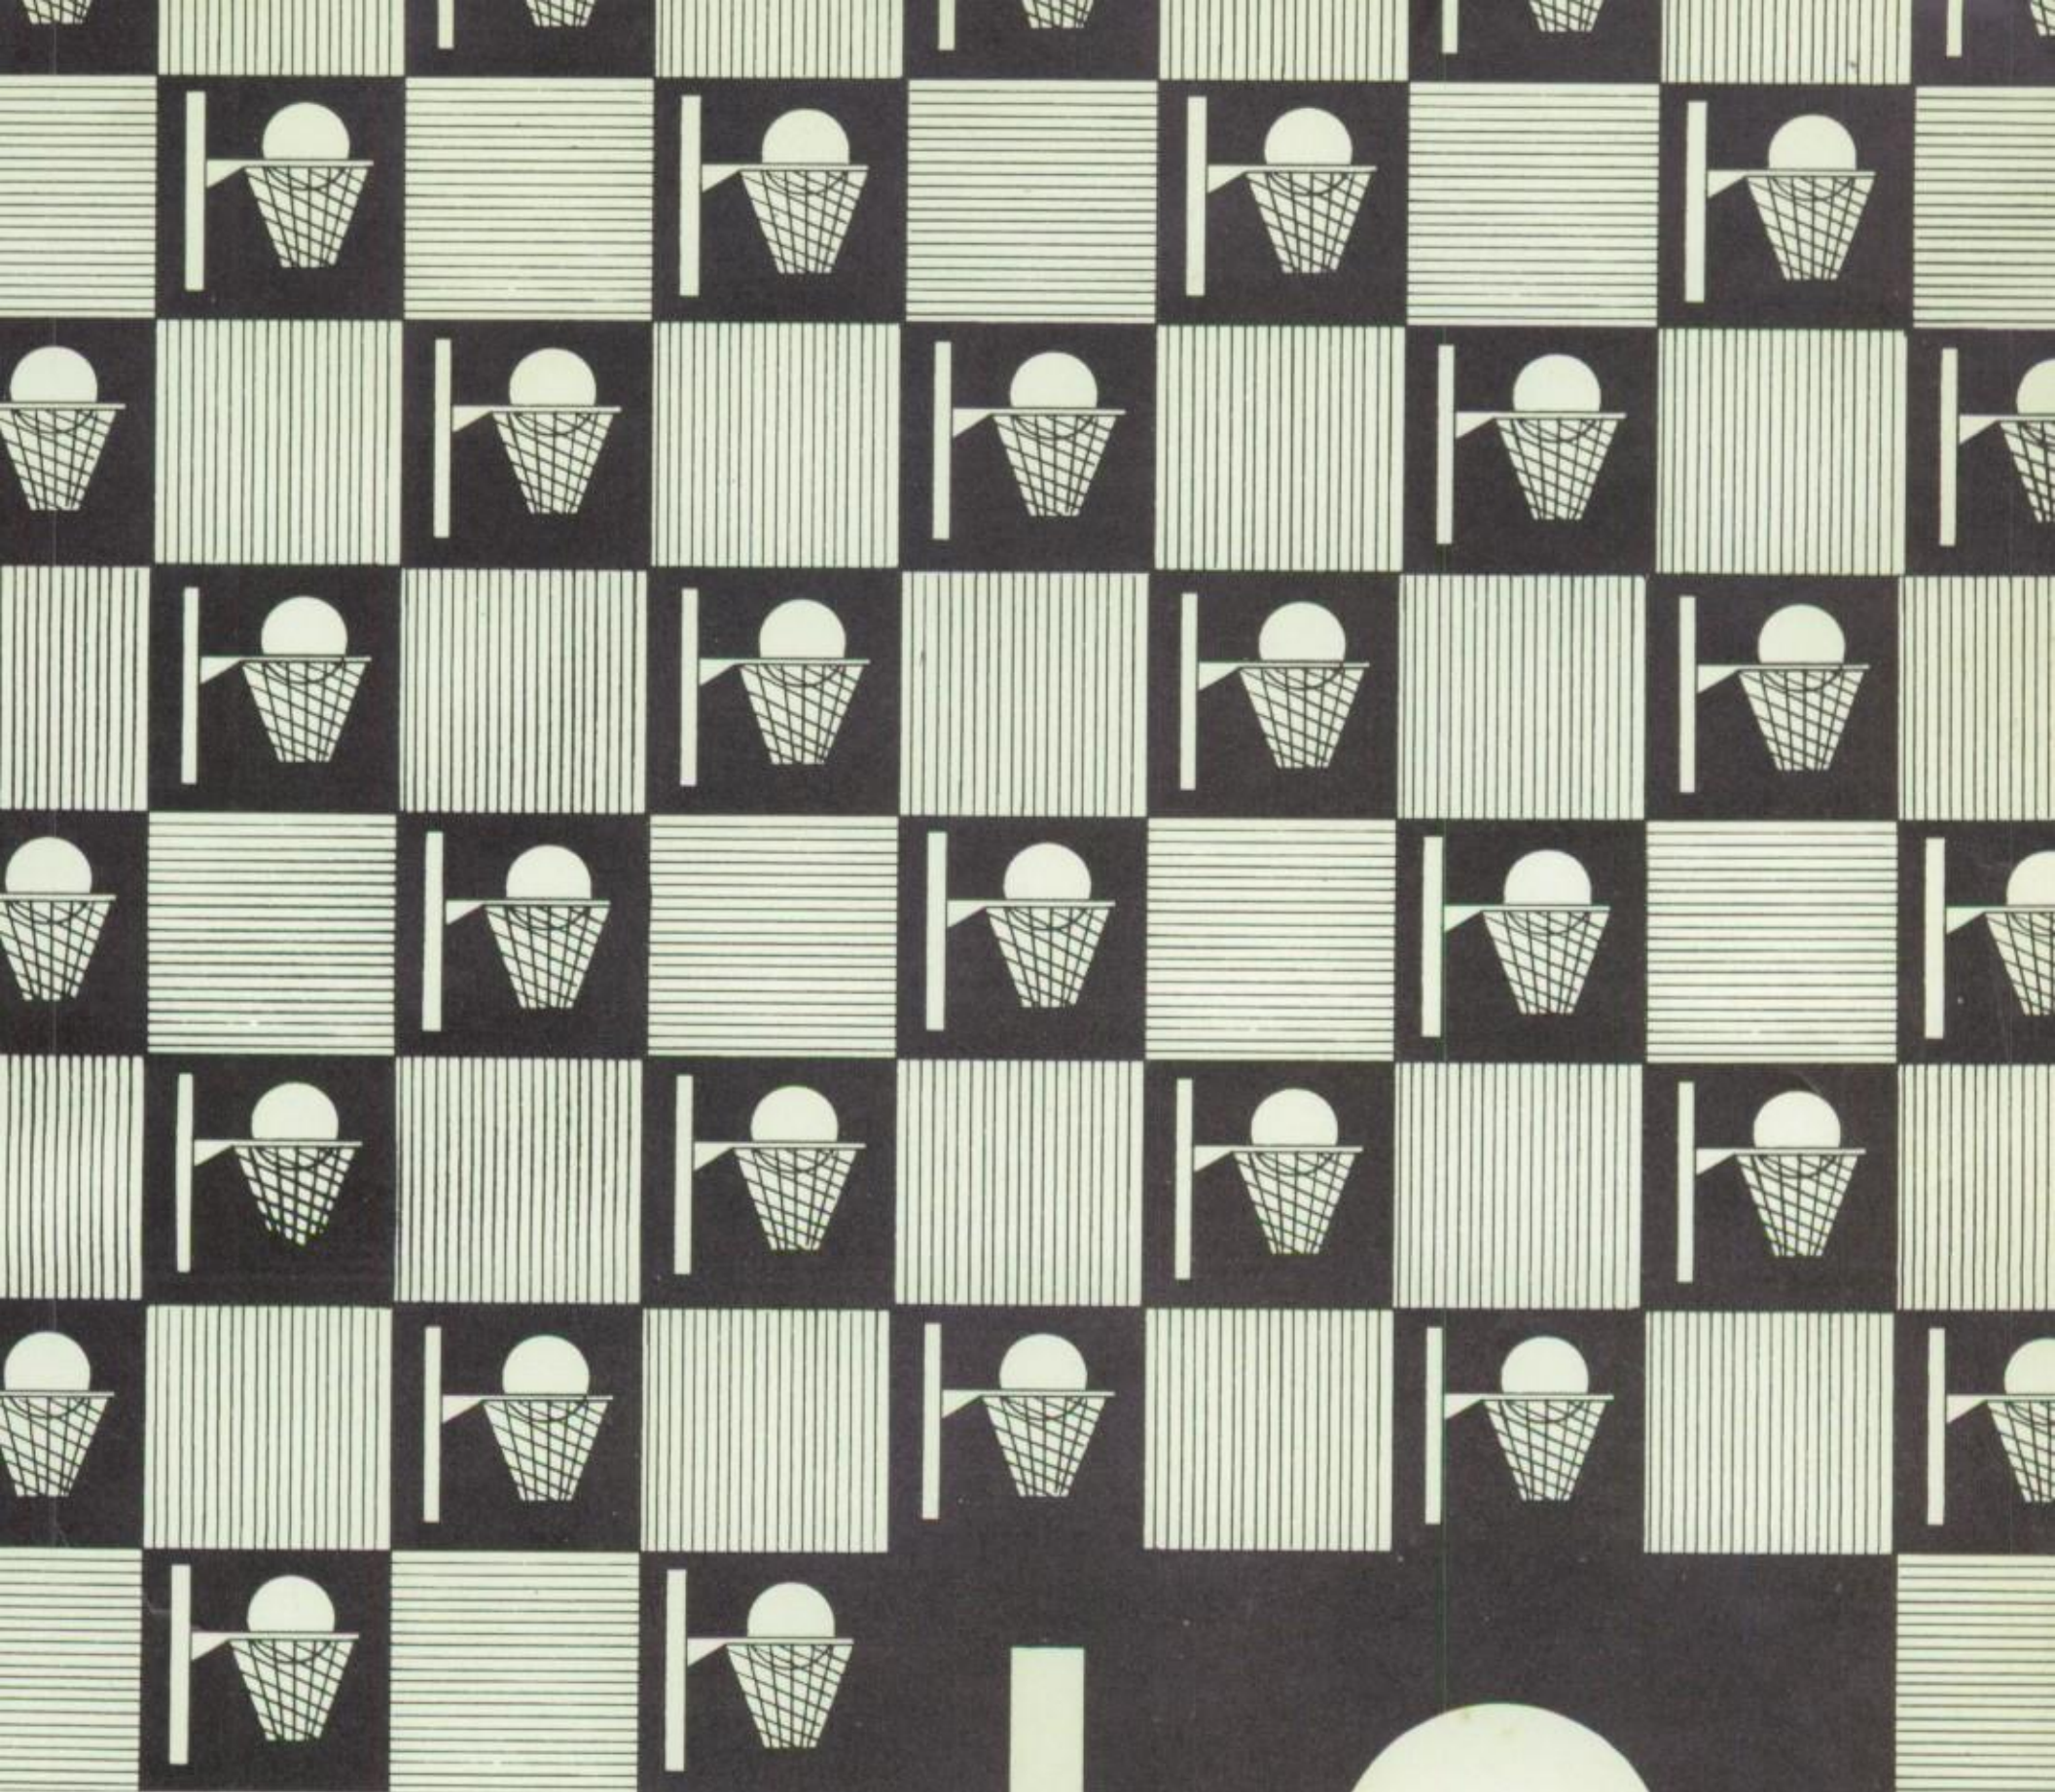

They're coming around.

Wake up--it's not that late yet.

Wrong signal, Gibbs' ball.

SCHOOL SONG

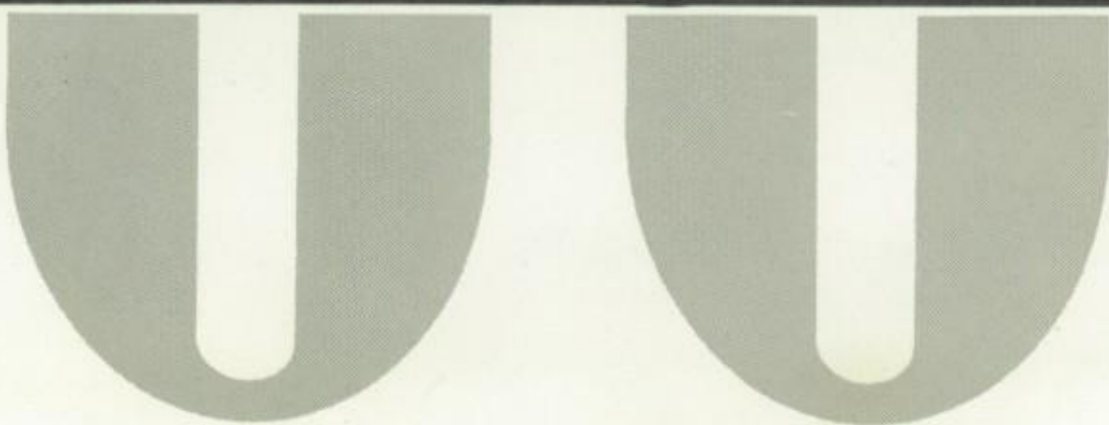

Dear Old Pinellas High School,
You're the world to me.
Dear Old Pinellas High School,
You will always be.
For you bring us gladness,
Every where we roam.
For we're always thinking of you,
When we're far away from thee.
We will always stand up for you,
When you're in the middle of the sea.
Dear Old Pinellas High School,
You're the world to me.

Dear Old Pinellas High School,
You're the best we've seen.
Dear Old Pinellas High School,
To thee we'll ever be true.
For you bring us sunshine
In the hours of grief.
For we'll always love our dear school,
When she's up and when she's down.
We will always love our dear school,
When all others turn her down.
Dear Old Pinellas High School,
You're the world to me.

WHO GETS THE WORMY APPLES? A THRIFT FABLE

The rumor is that way back at the beginning old Papa Adam wanted to start a savings account of juicy apples against the day when his arthritis would not allow him to climb trees.

But it so happened that a snake in a top hat got hold of Mamma Eve, and talked her into biting a sour winesap no self-respecting worm would use for a food bank. To take advantage of Mamma Eve's surprise at finding half a worm left in the apple, this Top-hat slicker said,

"That savings business is for the birds and you've got no wings. Get Smart and live-it-up now. Have fun today. Tomorrow your wrinkles will show. What's more the Big Guy Upstairs will feed you."

So . . . they saved no apples, and when they got hungry the Big Guy Upstairs did not feed them. Instead he drove them out into the cold, cold world with nothing but a fig leaf between them.

Moral: Start a Savings Account with FIRST FEDERAL of CLEARWATER today. Then you can have apples when you want them. You can't get far with a fig leaf.
